Dewatering Experts

## Dewatering Experts

**Dwex** Technical Services LLC | HQ 2203 SIT Tower, Silicon Oasis Dubai-UAE  
PO 20604 Dubai | t +971 4 832 1906 | f +971 4 832 1907 | e info@Dwex.ae | w www.@Dwex.ae

## Company Profile

**Dwex** LLC was established in 2010 (formerly Sun Dewatering LLC) and is one of the leading service providers in the Middle East, providing turn-key dewatering solutions through its purpose built facilities.

Company is strongly field oriented & sensitive to the needs of the contractor, particularly with regards to environmental protection, quality, cost effectiveness & project timeline.

With this in mind **Dwex** has developed its engineering resources & quality control systems to help generate designs for technically challenging dewatering requirements by utilizing its vast experience & expertise in the field of dewatering.

The Team is dedicated to one principle philosophy - to serve the customer by providing innovative and effective techniques to control groundwater on time and within budget in the best interest of the Client & the Consultant.

## Company Specialization

**Dwex** through its expertise in dewatering technology and system design innovates & develops optimum engineering solutions with in depth consideration of environment protection, quality, cost effectiveness & project schedule; developing practical and flexible dewatering systems catering to diverse projects involving complex site and soil conditions.

Company provides following dewatering solutions:

- ➔ Pumping Test
- ➔ Dewatering System Design
- ➔ Over Pumping
- ➔ Wellpoint Systems
- ➔ Deepwell Systems
- ➔ French Drain/Sumps
